## ordering your cake & Creative Designs

You can discuss your requirements with our skilled cake decorators at our Home Farm Bakery in Brighton, where you can also see examples of wedding cake designs. To arrange your personal consultation please contact our cake decorating department on 01273 601404 or [info@forfarsbakers.co.uk](mailto:info@forfarsbakers.co.uk)

## Would You Like Genoese & Chocolate Sponge?

If you would like to use our delicious Genoese Sponge, or Chocolate Sponge, instead of Fruit Cake, then we will deduct 10% from the price of each tier that is made from Sponge. This offer does not apply to the price of the 'Forfars Special Wedding Cakes' or the Chocolate Selection.

## Place Name Biscuits and Bride & Groom Biscuits

We offer a range of hand decorated Name Biscuits (decorated in the colour of your choice) for only £1.50 each. You can also choose to have our hand decorated Bride & Groom Biscuits at only £4 for the pair.

## What Is Included In The Price?

Our Wedding Cakes are supplied with all necessary pillars and top ornaments. The Cake can be either collected from the Forfars shop of your choice or we will deliver it where you choose within two miles of a Forfars shop.

## Cutting The cake & Presentation of The cake

It is important that a cake of high quality is cut correctly. Use only a very sharp serrated knife and gently bring the knife through the cake with a saw action to avoid crumbling. An ornamental Bride Knife (not suitable for cutting the cake) and a Wedding Cake Stand can be hired at an inclusive price of £50 (inc. VAT, which will be fully refunded on return of the knife and stand in top condition by the Wednesday following). Full cutting and presentation instructions will be included with the cake when it is delivered.

## Extra 'cutting cake' Is Required

Cutting Cake can be supplied for serving at the Reception or for Posting (postage not included) at a cost of £25 for a 5" cake (approx. 25 portions). Cake boxes (for sending of Wedding Cake portions) are available on request at a cost of £3 per 10 boxes.

## Keeping The Top Tier

If the Top Tier is to be kept it should be stored in a box (not air tight) and left in a cool dry place. The edible life of a Forfars Fruit Cake is approx. 12 months.

## Terms of Business

**Orders** – a minimum deposit of 25% is required on placing the order and final settlement is required one week before collection or delivery.

**Deliveries** – can only be made within 2 miles of our nearest shop. This is included in the price.

\* - The only alterations that are included in the price of the 'Forfars Special Wedding Cake' are the colour of the cake and whether you have silver or gold pillars. Our Cake Decorating Department will gladly quote for any other alterations. Sponge discounts apply.
